Providing Means of Fighting Fire

With local council's getting tougher on landlords and business owners, fire extinguishers and fire blankets represent wise precautionary measures.

Fire Blanket - 1.1m x 1.1m

Fire Blankets are used to cut the supply of oxygen that fuels fire.

- Wall Mounted
- Easy to fit
- Plastic storage case
- Certified to BS EN 1869:1997

Extinguishers

We can supply a full range of Fire extinguishers including -

- Water
- CO2
- ABC Dry powder
- AFFF Foam
